23      <P>Virat Kohli (Hindi pronunciation: [ʊɪˈrɑːʈ ˈkoːɦli] ⓘ; born 5 November 1988) is an
    Indian international cricketer
24          and the former captain of the Indian national cricket team. He currently represents
    Royal Challengers Bangalore
25          in the IPL and Delhi in domestic cricket. Kohli is widely regarded as one of the
    greatest batsmen in the history
26          of the sport.[4] In 2020, the International Cricket Council named him the male
    cricketer of the decade. Kohli
27          has also contributed to India's successes, captaining the team from 2014 to 2022,
    and winning the 2011 World Cup
28          and the 2013 Champions trophy. He is among the only four Indian cricketers who have
    played over 500 matches for
29          India. Kohli is the fourth-highest run-scorer in international cricket and stands
    second in the list of
30          cricketers by number of international centuries scored.[5]
